Dear Ms. Oomittuk:

On May 26, 2020, the Commission granted the City of Akhiok (AKHIOK), an extension to file its 2019 annual Power Cost Equalization (PCE) report (annual report) and Non-regulated Fuel and Purchased Power Cost Report Form (fuel report) from April 30, 2020 to June 30, 2020.<sup>1</sup> On May 27, 2020, AKHIOK filed the required fuel report. On June 26, 2020, the Commission reminded AKHIOK its 2019 PCE annual report was due by June 30, 2020.<sup>2</sup> On June 30, 2020, the Commission received a request from Ms. Oomittuk on behalf of AKHIOK to extend filing its annual report from June 30, 2020 to July 31, 2020.<sup>3</sup> On August 12, 2020, the Commission reminded AKHIOK its 2019 PCE annual report was due July 31, 2020.<sup>4</sup> On August 31, 2020, the Commission received a request from Ms. Oomittuk on behalf of AKHIOK to extend filing its annual report from July 31, 2020 to October 31, 2020.<sup>5</sup>

In the initial request, Ms. Oomittuk advised the utility clerk was getting the information ready when she had to leave town to deliver her baby. In the second request, Ms. Oomittuk advised the utility clerk would return to work the following week after being on maternity leave for the last three months. In this request, Ms. Oomittuk advised the utility clerk had been out of the office due to maternity leave and the Administrator had been in an accident, so no one was able to get the information for the annual report together. The Commission reviewed the request and determined that an extension should be granted in filing the annual report.
